- ▶ **Three types of questions** based on Common Core standards (roughly equal to Comprehension, Analysis and Language/Structure)
- ▶ Option to switch on **a written response** to the text
- ▶ **Adaptive** system of **levels**, **motivational points** and Lexile **scores**
- ▶ Detailed, insightful **reports** on each student and class as a whole
- ▶ **Tried and approved** within Letovo ELA online prep course on students aged 11-15 (CEFR levels approx. A2-B2)
- ▶ Functionality of an **LMS** (create classes, follow your students' performance, give feedback)
- ▶ Completely **free of charge!**

Let's create our own accounts!

www.linguahouse.com

- ▶ Extensive **collection of worksheets** on a range of themes, grammar, vocabulary, TED and exam prep
- ▶ Based on **authentic texts** (adapted from the Independent, TED, BBC News, The Guardian, etc)
- ▶ **Well-structured** instructional approach (a bit repetitive though)
- ▶ A range of **course plans** available (split by purpose and level)
- ▶ **Video and audio** contents (not much for the time being)
- ▶ High-tech: **QR codes** for fast access and **Expemo app** to review the vocabulary
- ▶ Each worksheet contains **keys**
- ▶ **Friendly interface** of the website
- ▶ About **30%** of the material available **free of charge**, full access at a reasonable price

Let's take a glimpse!

www.nearpod.com

- ▶ Interactive **lesson manager**
- ▶ A **presentation tool** and a **formative assessment bank** in one
- ▶ An extensive bank of **ready-to-teach customizable lessons**
- ▶ Teacher conducts a lesson as **a live session** on all their students' devices
- ▶ A lot of content (as well as using the platform as a lesson manager) is **free of charge**

Let's run a sample live session!

www.tubequizard.com

- ▶ Online tool for developing **listening skills and vocabulary acquisition** (close listening, grammar and vocabulary in context)
- ▶ Generate your **own quizzes** based on **youtube videos** with captions
- ▶ Engine recognizes **text affordances** and generates several quizzes based on the same video
- ▶ Motivational for kids: they can develop listening skills while watching their **favourite videos on youtube**
- ▶ A wide range of **ready-to-use quizzes**
- ▶ Absolutely **free-of-charge**

Let's explore it!

ZINC www.zincreadinglabs.com

- ▶ Online platform for developing **reading and thinking skills**
